### 5.2 ENVIRONMENTAL POLICY

The scope of this document is to outline the Environmental Policy of Reyes Automotive Group. To include the organization's commitment to the environment through training, documentation, accountability, and communication.

Corporate Management has defined and developed Reyes Automotive Group's Environmental Policy and ensures that it:

- Is appropriate to the purpose and context of the organization, including the nature, scale and environmental impacts of each of RAG's facilities activities, products or services.
- Provides a framework for the setting and review of environmental objectives and targets.
- Includes a commitment to the protection of the environment, including prevention of pollution and other specific commitments relevant to the context of the organization.
- Includes a commitment to comply with relevant environmental legislation, regulations and other requirements to which Reyes-Amtex Automotive facilities may subscribe.
- Includes a commitment to continual improvement of the EMS to enhance environmental performance.

This Environmental Policy shall be:

- Documented, implemented, maintained and communicated to all employees.
- Made available to all interested parties through means approved by facility management.

<p><b>Environmental Policy</b></p> <p>“Reyes Automotive is dedicated to environmental protection, employee health and safety, regulatory compliance, and pollution prevention through a strategy of continual improvement and teamwork.”</p> <p>The foundation for achieving our commitment is based upon:</p> <ul style="list-style-type: none"> <li>• Striving for the prevention of pollution;</li> <li>• Elimination of health and safety hazards</li> <li>• Providing leadership for EHS;</li> <li>• Developing and utilizing environmentally acceptable, safe and efficient production methods and processes.</li> </ul>
